

Literacy 2 – retell the story

Re-watch **Snappy the Alligator** on Storyline online -

<https://www.storylineonline.net/books/snappy-the-alligator/>

Try retelling the story using a comic strip.

Decide which parts of the story are the most important parts – the bits that you have to include to make the story make sense. There should be between 4 and 8 boxes in your comic strip.

I have given you some examples of blank comic strips below, pick your favourite one or draw your own.

Speech bubbles are a good way to show the difference between the alligator and the narrator.
