

## Maths 4 – Pictograms

Ms Page decided to count all the colours of her smarties before eating them. She created a tally chart... but she got so excited about eating the smarties she forgot to complete it! Could you help her complete the tally chart?

Colour	Tally	Number
Green		7
Orange		8
Blue		5
Pink		
Yellow		11
Red		
Purple		7
Brown		

When you have finished the tally chart, could you draw a pictogram?

I have drawn a blank grid below for you to copy and complete.

11								
10								
9								
8								
7								
6								
5								
4								
3								
2								
1								
0	Green	Orange	Blue	Pink	Yellow	Red	Purple	Brown

**Challenge...** See if you can persuade someone in your family to buy you sweets or cereal or similar that comes in different shapes or colours and create your own tally chart and pictogram!
