

Academic Year: 2020/2021	Total fund allocated: 17,700
---------------------------------	--

In Physical Education, our pupils are encouraged to be healthy, active children with the view for them to be lifelong, active citizens and for an active lifestyle to contribute to both their mental and physical well-being. All PE lessons are designed to teach and learn new skills and to use these as building blocks to learn new games and sports. All lessons are fully inclusive and healthy competition is encouraged. Our goal is to increase the amount of time our pupils are active every day by having a wide selection of extra-curricular clubs in which are available to all children.

PE and Sport Premium Key Outcome Indicator 1:
The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

£12,116

School Focus/ planned <u>Impact on pupils</u>	Actions to Achieve	Planned Funding	Evidence and impact (To be reviewed in January 2021 and July 2021.) Actual Impact (following Review) on	Sustainability/ Next Steps
