

# Match Report

By Henry

## Cross Country

On Friday 6th November, Year 1 - Year 6 took part in a school challenge to be the first to run a number of laps. Year 1 and Year 2 ran a  $\frac{1}{4}$  of a mile (5 laps), Years 3 and 4 ran a  $\frac{1}{2}$  of a mile (10 laps) and Years 5 and 6 ran 1 mile (20 laps).

The Year 6 boys were full of courage and determination, whilst running the mile. When it got to the 15th lap, the boys were on their last legs, but when the girls came and cheered for them, the boys made a final effort to run. The Year 6 boys finished in an approximate 9 minute's time. Well done boys! The Year 6 girls suffered the same conditions as the boys, but they never gave up and kept on running, whilst the boys encouraged them. The Year 6 girls finished in an approximate 8 minute's time. Great job girls!

All the classes in the school tried their very best in this competition and 1st, 2nd and 3rd certificates were awarded to the pupils of St Gabriel's by their proud teachers.

Thank you for reading this match report.
