AND CHELSEA

24 February 2021

Dear parents and carers,

We need your help with our Local Area SEND Strategy

Our vision for children and young people with SEND is that they achieve well in early years, at school and at college, and lead happy and fulfilled lives. Our "Local Area SEND Strategy" is our plan for how we will achieve this.

We're currently updating our 2018-2021 Strategy. We have made a short presentation to review what we have done since 2018 and to ask some questions about what we should do next.

To make a good plan, we need to know the aspirations and experiences of our local families and we want to ensure we hear from as many people as possible. This letter is to ask if you can take a look at the presentation for the borough that you live in and complete a short online survey by 26 March 2021. We will send you a copy of the updated strategy as soon as it is published in September 2021.

To find the survey for the borough that you live in, please follow the links below:

We recognise that an online survey isn't for everyone. If you would rather speak with someone regarding the questions, please do email us at localoffer@rbkc.gov.uk and we will get in touch to make alternative arrangements.

With kind regards,
