JaGaApp

EMPOWERING NEIGHBOURHOODS

Emergency Assist

JaGa Home for emergencies at home.

JaGa Location notifies your family members during emergencies outside your home.

Call Your Guards

Replaces traditional point-to-point cabled systems enabling your calls to come directly to your mobile phone.

Real-time Notice Board

Receive notification of issues and happenings affecting your community from your committee or building management.

Visitor Registration

Pre-register your visitor for a more speedy entry while maintaining security and your privacy.

JaGaApp, your Private Community App.

Empowering You & Your Neighbourhood

Community Security

Communication Platform

Property Management Dashboard

Facility Management System

Tenant Management

Smart Community - IoT

Professional Services

Feedback

Communicate directly with your committee or The Management on various issues.

Facility Booking

Book BBQ pits, badminton courts and other communal facilities from the convenience of your mobile phone.

Community Forms

Fill up community forms such as access card requests and renovation forms with this app.

Community Vendors

Look around for the best qualified professionals and online services handpicked just for your community!
