## Empowering Neighbourhoods

# JaGaApp 2.0

## Your Private Community App

Designed to enhance the security, communication and convenience in your neighbourhood.

- ✓ **Community Security**
- ✓ **Communication Platform**
- ✓ **Property Management Dashboard**
- ✓ **Facility Management System**
- ✓ **Tenant Management**
- ✓ **Smart Community - IoT**
- ✓ **Professional Services**

### Features

#### Emergency Assist

**JaGa Home** for emergencies at home.

**JaGa Location** notifies your family members during emergencies outside your home.

#### Call Your Guards

Replaces traditional point-to-point cabled systems enabling your calls to come directly to your mobile phone.

#### Real-time Notice Board

Receive notification of issues and happenings affecting your community from your committee or building management.

#### Visitor Registration

Pre-register your visitor for a more speedy entry while maintaining security and your privacy.

#### Feedback

Communicate directly with your committee or The Management on various issues.

#### Facility Booking

Book BBQ pits, badminton courts and other communal facilities from the convenience of your mobile phone.

#### Community Forms

Fill up community forms such as access card requests and renovation forms with this app.

#### Community Vendors

Look around for the best qualified professionals and online services handpicked just for your community!
