Dear Sir/Madam,

A590 – work to renew road markings

This letter is to inform you of the work to renew the road markings and road studs along various sections of the A590. The purpose of our work is to ensure we keep the network safe and operational, as well as improving journeys for our customers.

Work is due to start from 5 October for around five weeks. This will take place between the hours of 8pm and 6am. Our work will be carried out in phases. The table below shows the detail for each phase:

Location	Dates	Traffic management
Meathop to Cartmel Lane junction	5, 6, and 7 October	Full westbound carriageway closure
Newby Bridge to Backbarrow - Duals	8 and 15 Oct	One side closed each night. Both directions of traffic through the open carriageway
Mill Side to Levens	11 Oct	Full closure of single carriageway section and of eastbound dual to Church Road
Levens to Meathop	13, 14, 18 and 19 October	Full closure in both directions between A5074 and Meathop roundabout.
Brettargh Holt roundabout to Levens Lane	21 October	Full westbound carriageway closure.
Ulverston Booths' roundabout to	22, 25, 26 and 27 October	Various 300m sections with traffic lights and convoy system. Moving each night.

Haverthwaite Junction		
Haverthwaite - Duals in front of train station	28 & 29 October	One side closed each night. Both directions of traffic assisted through the open carriageway.

All full closures will have signed diversion routes in place, and for more information, please see attached diversion route map.

Our work is subject to weather conditions and therefore closures dates may be cancelled or changed at short notice. Every effort will be made to ensure disruption is kept to a minimum. However, these works will inevitably generate some noise and disruption and we'd like to apologise in advance for any disturbance.
