

## School Mission Statement

*'In Him we live and move  
and have our being'*

This school is an overtly Catholic community of faith. It bears witness to the Gospel values of mutual respect, love, forgiveness, hope and the development of the gifts and abilities, which each one of us has.

The mutual, active support of staff, children, parents and governors is needed to put these values into practice in the day to day living of the school.

## Children's Mission Statement

*'In Him we live and move  
and have our being'*

This means we will all try to follow Jesus footsteps and live our lives like He did.

We listen to the words of St Paul, our school Saint, who teaches us to:

- Have a loving and understanding heart
- Be a cheerful giver
- Live as children of light
- Know we are God's work of art
