# HOMWORK MENU

## Year 5- Summer Term

Don't forget to continue to access:  
Times Table Rock Stars  
Reading Eggs  
Spelling Shed

This term class 5 are working on developing their independence and they have helped to devise their own homework menu for this term.

As a class the children have come up with a list of 'key skills' that they could work on before they move to their final year of primary school. As you can see from the list some of them are school based and some are life skills that will benefit them at home. The children know that they may already know how to do some of these skills, and we discussed that they should be choosing something they know they could develop further.

### Key Skills

#### Please pick at least 2 items

- Learn your home address including your postcode with the correct spelling and punctuation
- Learn to tie your shoelaces without adult help
- Learn to tell the time accurately to the minute
- Learn the 24-hour clock e.g. know that 20:00=8pm
- Learn how many days are in each month of the year
- Learn the continents of the world
- Under adult instruction, learn how to correctly set a table for dinner/tea.
- Under adult supervision and instruction, learn how to prepare a cold meal such as making a bowl of breakfast cereal or a sandwich, if on packed lunches you could make and pack your own lunch.
- Learn how to make your own bed.
- Under adult supervision, learn how to use a vacuum cleaner.

Being such a caring and kind class, the children were very keen to incorporate kindness into their homework and they have challenged themselves to try to complete at least 5 acts of kindness this term. The class have devised an example list of things they could do however this is not an exhaustive list and they may come up with some more at home.

### Acts of Kindness

- Help with jobs around the house
- Check in with someone, ask if they are okay
- Make a card for someone to make their day
- Draw a picture for someone
  - Help wash the car
  - Help with the gardening
- Donate a small item of food to a food bank.
  - Help out a friend/sibling
- Give someone some of your time

Class 5 would like to try to develop or learn at least one skill over the course of the Summer Term. They came up with a list of ideas as a class. They don't have to pick something that is on this list to develop or learn they can think of something different if they would like to.

### Learn or develop a new skill.

- Thread a needle
  - Learn to skip
- Learn how to do a keepy uppy in football
  - Learn how to fix something
- Learn how to pace yourself on a longer run
- Learn some basic conversational language in a foreign language that you don't already know
  - Learn some words using sign language
    - Learn to knit
    - Learn to cross stitch
