

Curriculum Vitae

Personal information

Name

Mohamed Mostafa Alsayed Alasmar
MBBCh. MSc. MRCS. FRCS. (Gen. Surg)

Date of Birth 02/05/1982 in Damietta, Egypt

Education and Qualifications

Faculty of medicine;

Faculty of Medicine, Cairo University, Cairo
October 2000 to November 2005
Bachelor of Medicine, Bachelor of Surgery
Medicine and Surgery, MBBCh, **Very Good with Honour**

Internship

Kasr Alainy Hospitals - Cairo University
March 2006 – March 2007 (1 year)

Postgraduate studies

Royal College of Surgeons England, London
Diploma of Fellowship of Royal College of Surgeons (**FRCS**) General Surgery England
(August 2015), granted the degree of Fellowship in September 2015
General Surgery, FRCS

Faculty of Medicine, Cairo University, Cairo

Master Degree in General Surgery. Thesis in the evaluation of different modalities in the management of penetrating abdominal trauma in Kasr Alainy emergency department
General Surgery, M. Sc., Very Good

Royal College of Surgeons England, London

Diploma of Membership of Royal College of Surgeons (**MRCS**) (October 2011) and obtained the degree of Membership in February 2012
General Surgery, MRCS

Honours & Awards

- Best Resident Award in class 2010 graduation ceremonies, faculty of medicine - Cairo University. March 2012.

Professional/Employment Experience

- **Senior Clinical Fellow, General/Oesophagogastric Surgery**
February 2018 - Present
Salford Royal NHS Foundation Trust.

- **Senior Clinical Fellow, General/Colorectal Surgery**
February 2017 - February 2018
Salford Royal NHS Foundation Trust.

- **Senior Clinical Fellow, Trauma and Emergency Surgery**
September 2016 - February 2017
King's College Hospital NHS Foundation Trust

- **Specialist Registrar**
August 2015 - August 2016
Cairo University hospitals.

- **General Surgery Medical Officer**
MOH - Oman
January 2014 – August 2015

- **General and Vascular Surgery resident**
Cairo University Hospitals
October 2011 – February 2013 - Cairo

- **General Surgery Resident**
Ahmad Maher teaching hospital
April 2010 – October 2011 - Cairo

- **First Lieutenant**

Egyptian armed forces
October 2007 – April 2010 - Egypt
Obligatory military service.
December 2008 - March 2009

- **General Practitioner**

Ministry of health and population - Egypt
March 2007 – May 2008

Courses and CPD

- Understanding Clinical Research: Behind the Statistic (e-Learning Module)
University of Cape Town
April 2021
- Training the Trainers: Developing Teaching Skills
Royal College of Surgeons - England
September 2020
- Statistical Analysis with R for Public Health Specialization (e-Learning Module)
Imperial College London
May / June 2020
- Leadership and Management
ISC medical
March 2020
- Introduction to Systematic Review and Meta-analysis (e-Learning Module)
John Hopkins University – Online course
January 2020
- Statistics For Medical Professionals (e-Learning Module)
Stanford University School of Medicine
March 2020
- Introduction to Good Clinical Practice eLearning (Secondary Care)
NHS National Institute for Health Research
December 2018
- Anastomosis Workshop 2 - 5 July 2018 - Path Lab
Cambridge University Department of Pathology, Downing Site, Cambridge
July 2018
- Fire Fighting for Surgeons: the Manchester Trauma Course
Manchester University
May 2018
- CCrISP Course
Royal Infirmary of Edinburgh
May 2017
- EAES Laparoscopic Upper GI Surgery Course
The Cuschieri Skills Centre (CSC) - University of Dundee - UK
April 2016
- Ultrasound Life Support (WINFOCUS - Basic level 1 Provider)
Learning Resource Centre - Faculty of Medicine - Cairo University
February 2016
- Advanced Laparoscopic Skills in Inguinal Hernia Repair
Learning Resource Centre - Faculty of Medicine - Cairo University

February 2016

- Advanced Laparoscopic Skills in Bariatric Surgery
Learning Resource Centre - Faculty of Medicine - Cairo University
December 2015
- ATOM
American College of Surgeons, August 2013
- ATLS
American College of Surgeons, January 2011
- Minimally Invasive Operating Techniques Course
Learning Resource Centre - Faculty of Medicine - Cairo University
28 February - 1 March 2011
- Introduction to Surgical Skills Course
Learning Resource Centre - Faculty of Medicine - Cairo University
In conjunction with Royal College *of* Surgeons – England
26-28 May 2012
- ACLS
American Heart Association
March 2011
- Basic Emergency Skills
Learning Resource Centre - Faculty of Medicine - Cairo University
10-11 September 2006

Audit, Research and publications

- Participated in "Complications of Feeding Jejunostomy Audit" 2021
To Compare our hospital outcomes against the standard outcomes in the literature.
- Supervised a colleague in "LocSSIP Chest Drain Audit" 2019
To Assess the compliance with LocSSIP documentation standards for insertion of chest drains. Presented in the General Surgery Clinical Governance meeting in Salford Royal Hospital.
- Collaborator in OGAA Project 2018
Oesophago-gastric anastomosis audit
Which led to the following publications:

1. Oesophago-Gastric Anastomosis Study Group on behalf of the West Midlands Research Collaborative. (2019). International variation in surgical practices in units performing oesophagectomy for oesophageal cancer: A unit survey from the Oesophago-Gastric Anastomosis Audit (OGAA). *World Journal of Surgery*.
2. Oesophago-Gastric Anastomosis Study Group on behalf of the West Midlands Research Collaborative. (2021). Comparison of short-term outcomes from the International Oesophago-Gastric Anastomosis Audit (OGAA), the Esophagectomy Complications Consensus Group (ECCG), and the Dutch Upper Gastrointestinal Cancer Audit (DUCA). *BJS Open*.
3. Oesophago-Gastric Anastomosis Study Group on behalf of the West Midlands Research Collaborative. (2021). Anastomotic leak following oesophagectomy: research priorities from an international Delphi consensus study. *British Journal of Surgery*
4. Oesophago-Gastric Anastomosis Study Group on behalf of the West Midlands Research Collaborative. (2021). Mortality from esophagectomy for esophageal cancer across low, middle, and high-income countries: An international cohort study. *European Journal of Surgical Oncology*

- Collaborator in IMAGINE Project 2017
Ileus MAnagement INtErnational
I have led the data collection team in Salford Royal Hospital.
Two papers published:

EuroSurg Collaborative. Safety of hospital discharge before return of bowel function after elective colorectal surgery. *Br J Surg*. 2020;107(5):552–559. doi:10.1002/bjs.11422

EuroSurg Collaborative. Safety and efficacy of non-steroidal anti-inflammatory drugs to reduce ileus after colorectal surgery. *Br J Surg*. 2020;107(2):e161–e169. doi:10.1002/bjs.11326

- To obtain MSc in General Surgery 2013
Thesis in the evaluation of different modalities in the management of penetrating abdominal trauma in Kasr Alainy emergency department

Ongoing Projects

- Collaborator in TENTACLE Project 2019
TreatmENT of AnastomotiC Leakage After Esophagectomy audit

Data analysis and Publication in progress

- Collaborator in "Cardiopulmonary exercise variables and their association with postoperative morbidity and mortality after major oesophago-gastric cancer surgery – A multicentre observational study" 2019

Data analysis and Publication in progress

- I am coordinating a multicenter audit investigating the impact and safety of the COVID-19 pandemic on oesophago-gastric cancer patients management.

Which led to the following publications:

1. Alasmar, M., Kausar, A., Borgstein, A.BJ. et al. Is Re-introducing Major Open and Minimally Invasive Surgery during COVID-19 Safe for Patients and Healthcare Workers? An International, Multi-centre Cohort Study in the Field of Oesophago-gastric Surgery. Ann Surg Oncol
2. Alkhaffaf, B., Alasmar, M. Major Complex and Minimally Invasive Cancer Surgery Can Be Delivered Safely During the COVID-19 Pandemic. Ann Surg Oncol

Data completion and analysis are still in progress.

Presentations

- Emergency Giant Hiatus Hernia Repairs: Experience in Fundoplication versus Gastropexy. Oral presentation in AUGIS October 2021 (First Author)
- What is the best risk prediction model for Oesophageal perforations? Poster presentation in AUGIS October 2021 (First Author)
- Risk prediction in emergency Giant hiatus and diaphragmatic hernia operations. Poster presentation in AUGIS October 2021 (First Author)
- Surgical case series of incarcerated diaphragmatic hernias following oesophagectomy for oesophageal cancer. Single centre experience. Poster presentation in AUGIS October 2021 (Second Author)
- Is Re-introducing Major Open and Minimally Invasive Surgery during COVID-19 Safe for Patients and Healthcare Workers? An International, Multi-centre Cohort Study in the Field of Oesophago-gastric. Video presentation in NATIONAL RESEARCH COLLABORATIVE MEETING. November 2020 (First Author)
- Oesophageal Perforation Management, a case series. Poster Presentation in AUGIS September 2019. (Second Author)
- Evaluation of different modalities of management of penetrating abdominal trauma in Cairo University Hospitals Accident and Emergency department during the post-revolution period. ePoster presentation at the 20th Congress of Trauma and Emergency Surgery in Prague, Czech Republic. May 2019 (First Author)
- Integrating Virtual Reality with E-learning Medical Education Cost Effective Model in Developing Countries 18th International Conference on Technology Supported Learning and Training (ONLINE EDUCA BERLIN), Berlin – Germany 28-30 November 2012 (**Second Author**)
- Q&A session about the ATLS Course in the Seventh Annual Trauma Conference. Tripoli-Libya. 12-13 June 2013 (**Presented**)
- Certificate of appreciation from Egyptian Medical Syndicate in recognition for contribution in "the way to be a successful doctor conference" Cairo-Egypt 27-28 February 2013 (**Presented**)
- Medical Service Chaos and Surgeons Contributions During Arab Spring. MENA Meeting, Doha, Qatar. February 2013 (**Prepared the presentation / Not Presented**)
- Palliative Care and Surgery, In Palliative Care workshop. JBB, Oman. 19 February 2014 (**Presented**)

Teaching Experience and Management and Leadership

- Intermediate Skills in Laparoscopic Surgery Instructor - UK
Royal College of Surgeons - England
June 2021 – Present
- Care of Critically Ill Surgical patients (CCrISP®) Instructor - UK
Royal College of Surgeons - England
September 2019 – Present
- Basic Surgical Skills (BSS) Instructor - UK
Royal College of Surgeons - England
February 2018 – Present
- Core Skills in Laparoscopic Surgery Instructor - UK
Royal College of Surgeons - England
September 2019 – Present
- Advanced trauma life support course (ATLS®) Instructor and Coordinator (former national coordinator) - Egypt and UK
American College of Surgeons
November 2011 – Present
- Advanced Trauma Operative Management course (ATOM®) Instructor and Coordinator (former national coordinator) - Egypt
American College of Surgeons
April 2013 – Present
- Pre-Hospital Trauma Life Support Course (PHTLS®) instructor and coordinator (former national coordinator) - Egypt
National Association of Emergency Medical Technicians
September 2011 – Present
- Basic emergency and surgical skills (BESS)course instructor
Faculty of Medicine, Cairo University - Egypt
October 2011 – Present

Interests

- Professional Photography
- Medical Education.
- Medical Research.
- Web design, Internet and social networks.
- E-Learning.
