1. Welcome, register and apologies

Miss Davey began by welcoming and congratulating the new Student Councillors and took register. All Councillors were present. She explained the role of Chair for Ruby in Y6.

2. Eco March March/Walking Wednesday

As it was the first Student Council meeting of the year, Miss Davey read out the new Constitution and explained her expectations of behaviour and actions over the coming year. The new Student Council all agreed to follow these expectations and were looking forward to being role models to their year groups. Together the Council watched a SMART Student councils' video and discussed their vision for focused whole school questions to be used to link to our Unicef articles for school improvement. The Councillors offered ideas for the Student Council Charter which Miss Davey would type up after the meeting and display each meeting.

Ruby suggested that they have a Student Council sheet in each classroom to display the key whole school question and any articles linked to each question.

3. Lunchtime Charter

Miss Davey asked the Councillors for their views on how the school's Lunchtime Charter could be adapted in the light of COVID 19. Ideas to be included were:

- Remember to Socially Distance – Respect each other's personal bubbles.
- Always wash your hands before and after your meal and if you cough or sneeze.
- No sharing food or drinks
- Miss a seat between you and your neighbour if you can

Miss Davey will add these to the current Lunchtime Charter., linked to Unicef Articles 6 and 9.

5. AOB

Class suggestion boxes

Miss Davey checked that all Councillors had made their suggestion boxes and had shown them to their class. All Councillors except for Y6 had their boxes, already with suggestions in. Miss Davey asked Councillors to bring them to the next meeting.

Class meeting sheets were given out and Miss Davey asked the Councillors to discuss ideas for Children in Need.
