A NOTE TO OUR GUESTS

We are so pleased to be able to welcome back all of our regular customers and first timers (where have you been?!), after what feels like a lifetime!

So we can do this we have had to make some small changes to the way we operate, but we guarantee that the quality of our award winning burgers is as good as ever.

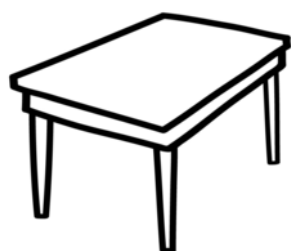

To keep you all safe and ensure the safety of our team, we kindly request that you place your orders at the bar (by the coffee machine) and collect your food when buzzed from the collection area. This helps us to keep contact to a minimum and maintain the 1 meter safety distance.

As we are unable to offer the full Cut + Grind service experience at this time, we have removed the optional service charge from all bills.

We guarantee a safe environment for our diners with extra precautions including a new seating arrangement, the use of 100% compostable plates and cutlery and our usual high standards of cleanliness to keep you safe whilst enjoying the perfect burger.

We thank you for choosing Cut + Grind as your independent burger specialist - enjoy your experience.
