

How to access teams from your mobile or tablet

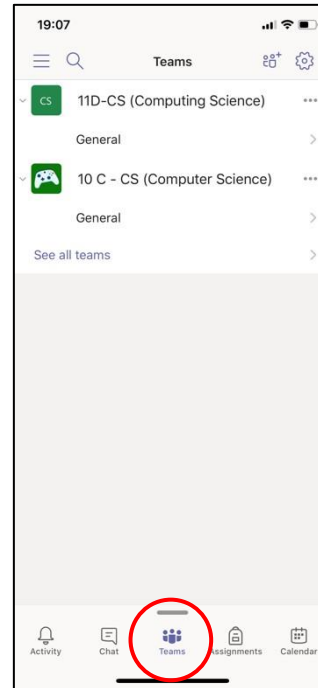

STEP 1

Download the Microsoft Teams app from the App store or Google play. Open the app and sign in.

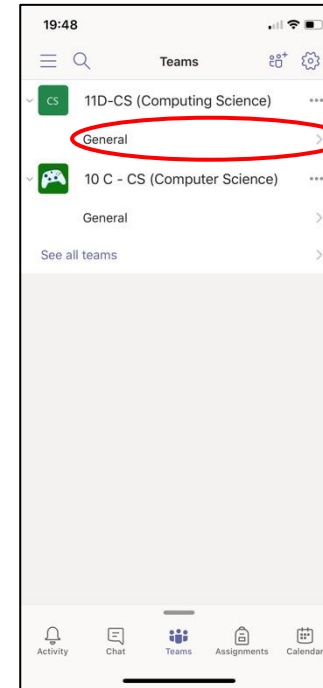

STEP 2

Using your school email address and password fill in your credentials and select sign in click

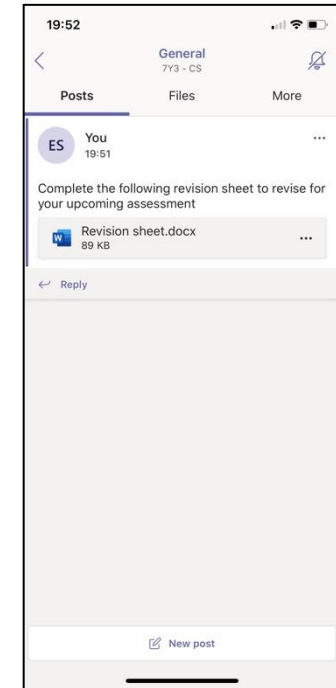

STEP 3

Once signed in you will see the home screen which automatically places you on the "Activity" tab. Click "Teams" to see your classes

STEP 4

To open a class you will need to select "General" under the class you wish to view.

STEP 5

Once inside you will see posts and files from your class teacher with instructions of your work.
