

12th October 2020

Dear Parents and Carers,

Let's travel back in time!

We are delighted to announce Year 5 will be travelling back to the time of the Tudors on **Thursday 5th November 2020** as part of our Learning Journey topic, 'Off with Her Head! There is no charge for this themed event as it will be run by school staff.

Year 5 will be participating in variety of Tudor activities throughout the day. The children are welcome to come to school dressed in a Tudor outfit although **this is completely optional** and your child may wear school uniform if they prefer.

There are some costume ideas below. Please do not feel that you have to buy a costume especially for the experience. You may be able to customise other costumes or outfits from home or even make something if you are feeling creative.

We appreciate your support with bringing the children's learning to life. We are looking forward to having a 'Tudorly' awesome day!

Yours sincerely,

Miss Biln and Miss Felton
