

Dear Parents and Carers,

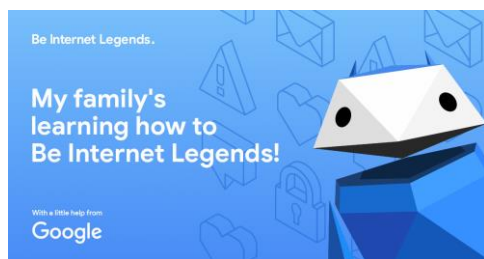

Over the next term, all children at EJS will be taking part in some special sessions designed to teach them about how to be a safe and confident explorer of the online world. To make the most of the internet, children need to make smart decisions. Be Internet Legends empowers younger children to use the web safely and wisely, so they can be confident explorers of the online world. The content of the sessions includes:

- Think before you share
- Check it's for real
- Protect your stuff
- Respect each other
- When in doubt discuss

We're excited to let you know that your child will be bringing home a 'Be Internet Legends' kit, containing everything your family needs to build a 3D Legend trophy and instructions of how to take part in an online safety quiz. (If you have more than one child at our school, we will send the kit home with your oldest child.)

More information can be found by

We can't wait to see how you all get on with the online safety quiz and building these fun 3D trophies at home. We would love you to tweet your photos of your finished trophies using the hashtag #BeInternetLegends and tagging @Emmbrook_Junior @GoogleUK and @TheParentsZone.

Thank you again for joining us on this journey.

Miss Scales (Deputy Headteacher)
