Head Teacher: Mr J Usher

Dear Parents & Carers,

We are pleased to let you know that, at present, we have approval for the Y6 residential trip to Adventure Manor to go ahead. We are very excited and pleased that the children may be able to enjoy this milestone. However, approval has come with clear caveats. This means we have to be very careful to follow all the covid-19 guidance laid out by the government and strictly follow the risk assessment of the centre and our own covid-19 controls.

This will mean that we will be using two coaches to travel so that we can limit the sizes of the bubbles to within the limits stipulated in the guidance. Once at the centre activity groups and dorm groups have been closely aligned to reduce the chances of transmission. Any member of the group that displays symptoms will be isolated and we will arrange for them to be collected separately while we assess the most appropriate next steps for the remainder of the group.

You may be aware that in some areas of the country transmission rates are increasing due to a new variant of the virus. This could well mean that additional restrictions are put in place both nationally or locally and approval for the residential could be retracted. We are approaching the residential with cautious optimism but must be wary and I hope you understand that there is still potential for the trip to be called off.

If you have any questions please feel free to contact the school and we will do our best to answer them. We will, of course, keep you informed of any changes that occur.

Thanks for your support.

Mr. J. Usher
