24th March 2020

Dear Parent/Guardian

I hope this letter finds you all well.

Please find below a brief message from each class teacher regarding home learning. Could I ask that all parents wishing to connect with the online classrooms e-mail their child's class teacher directly from your own email account so that your email addresses can be added to the system. Thank you.

Nursery and Reception

Hello, I do hope you are all well.

I have started to set some challenges to complete on Google classroom for when your children have finished completing the tasks I sent home with them last week. All of reception children can be found will be under Mrs Knott's classroom (Reception/Year1/Year2) so you need to log on to your child's Hwb account then access the classroom from there (details on how to do this are in more detail are on our school website).

Any problems please email me on daviesk424@hwbcymru.net.

Thank you.
Mrs Davies

Year 1 and 2

Hello everyone,

I hope you are all well. In order to keep in touch with you all and set work for the coming weeks, I need you all to log on to Google Classrooms just to check you have access and can read the messages. I have started setting some work but, in the meantime, remember you have your home learning packs to get you started. All of reception children will be under my classroom (Reception/Year1/Year2) regardless of whose class they are in. Log on to your child's Hwb account then access the classroom from there (details on how to do this in more detail are on our school website).

As soon as you log on I will be able to see that you can access the work and will be better able to support you.

In the meantime, if you have any concerns or queries, you can e-mail me at:
knottm2@hwbcymru.net

I'm looking forward to hearing all about your time at home and sharing our news together.
Best wishes,

Mrs Knott

Year 3 and 4

Hi all, I hope everyone is well. Now is the perfect time to learn something new, get crafty and make something, or play outside in your gardens!

Thank you to all the children, and parents, who have contacted me and/or submitted assignments using Google Classroom already. The support from parents is greatly appreciated and I do understand that submitting assignments is quite 'trial and error' at the moment as children are using a variety of different devices to submit work. I apologise for any inconvenience, and thank you for your patience. Please continue to contact me if you need any support, and I'll get back to you as soon as I can.

Some assignments are 'due in' on Friday, and we're doing well with five children having completed work so far, but please check your classroom to see what assignments need to be completed.

It would be useful to link parent's email addresses to Google Classroom so that you can receive a daily/weekly updates of your child's work to be completed, any missing work and any posts from myself. Please can you email me at websterc26@hwbcymru.net if you would like to be set up.

Please continue to check Google Classrooms regularly, as I am posting resources and assignments daily.

Best wishes to you and your families,

Miss Webster

Year 5/6

Hello pawb!

I hope you and your families are keeping safe, and that you are managing to fill your time at home with fun and happiness. As lots of you already know, I have set up a Google Classroom for us to keep in touch while we are away from school and to make sure that we keep up the excellent learning we've been doing all year.

I have set some assignments, which are activities that you can do at home online or in your books/on paper. These have L.O.s and are similar to what you would be used to in school. I will continue to set these as time goes on. I can give you feedback using Google Classrooms, and can provide any support you need.

I am also posting fun educational activities you can do at home and online learning tools that I think would be beneficial. I will be posting these as and when I come across them, so there may be lots of ideas there. I'm not expecting you to do all of the assignments and all of the online

learning activities at once. These are there to make sure your days aren't getting boring, and so that every day is not starting to look the same!

What I would ask, however, is that you upload pictures, Word documents, Google documents or post comments to get me updated with what you have done. If you complete a piece of work on paper, could you please upload a picture, either to the Google Classrooms page or shared with me via Hwb (HollandsV3@hwbcymru.net).

Around 6 pupils have engaged with our new classroom so far, and I have really enjoyed seeing your hard work and hearing about what you have been doing. I hope that more pupils will join in soon, so that we don't miss our real classroom too much! It's really important to keep up our learning going, and to keep in touch with each other while we are apart!

You can email me on Hollandsv3@hwbcymru.net or by clicking the envelope icon next to my name on our Google Classroom if you have any questions.

I am really looking forward to hearing and seeing what you have all been doing. Please keep in touch!

Best wishes,
Miss Hollands
