

Registering for a Training

- Please see individual flyers for dates/times, prerequisites (levels 2-4) and payment/registration directions.
- Once registered, there are no refunds or cancellations permitted, please do not ask. Payments cannot be transferred towards any other services, trainings or classes. If you cannot make the training you have registered for, for any reason at all, send another person in your place (levels 2-4 replacement must have the prerequisites necessary) or forfeit payment. Mark your calendars so you do not forget, if you fail to show up, you forfeit payment.
- Please sign up early to ensure we host the trainings, as a 4 student minimum is necessary for all trainings. In the unlikely event that fewer than the minimum students register up to 3 days prior to any training, Comfort & Balance may cancel the training. In that instance you will be notified and either receive a full refund for your payment or if you choose to apply it to a future training, classes or services, may do so.
