How to Play

1. You will need dice, counters to move around the board and counters to cover the answers.
2. Roll the dice and move the correct number of spaces.
3. Solve the calculation on the square you land on or follow the instructions.
4. Find the correct answer on one of the circles and cover it with a counter.
5. If the answer is already covered, miss a turn.
6. The winner is the player who covers the most answers.
