

Choose your favourite type of house and explain why it is your favourite one?

*For example: My favourite type of house is a mansion because it would be a dream come true to live in such a big house with lovely furniture and so much space to put things.*

Then choose a type of house you do not like and explain why?

*For example: I do not like the cottage because it is too small for me and it has not got many rooms available to use.*
