

## History challenge!

Choose a King or Queen of England. They must have ruled between 1066-present day.

Using the internet, books (or anything else that you might find useful) you need to find out:

- When they ruled until/from.
- Were they married? If so, who to?
- Were there any other important historical events during the time of their rule?
- What were they most famous for?
- Did they have any children?
- What did they look like?
- What sort of person were they?
- Fun facts.

*You can present this information in any way that you would like.*

*Some examples are: A fact file, a poster, story, diary entry written as that King or Queen, a song.*

We look forward to seeing what you can find out!
