

W/C 18.5.20 - Year 5 Home Learning Week 5 – Maths

Mr Cox's, Miss Fegan's and Mrs Elwell's Maths Groups

This week, we are moving on from decimals and revising some of the work already covered e.g. bus stop method, calculating perimeter. Like last week, for Lesson 5, there are some Maths challenges to do. Again, some of the challenges are quite tricky! Choose which you would like to do and just do your best.

Use this link:

<https://whiterosemaths.com/homelearning/year-5/>

Click on the 'Summer Term – Week 3 (w/c 4th May)' tab. It will look like this:

The screenshot shows the White Rose Maths website interface. At the top, there are navigation tabs: 'White Rose Maths', 'Resources', 'Professional Development', 'Home Learning', 'Who We Are', and 'News'. A search bar and 'Premium Resources Centre' are also visible. The main content area is divided into two sections: 'Summer Term - Week 4 (w/c 11th May)' and 'Summer Term - Week 3 (w/c 4th May)'. The 'Week 3' section is active, showing 'Lesson 1 - Multiply 2-digit numbers (area model)'. This lesson includes a video player with a grid model for the multiplication $18 \times 13 = 234$. The video player shows a progress bar at 07:40. To the right of the video are two buttons: 'Get the Activity' (Y5 Lesson 1 Multiply 2-digits (area model) 2019) and 'Get the Answers' (Y5 Lesson 1 Answers Multiply 2-digits (area model) 2019). Below the video is 'Lesson 2 - Multiply 4-digits by 2-digits' with a 'Get the Activity' button. A sidebar on the right lists 'Home Learning' options from 'Easter Fun' to 'Home Learning - Year 10', with 'Home Learning - Year 5' highlighted.

As with the previous weeks, you have a video to teach you, a worksheet to complete and the answers to check. There are 4 lessons and a challenge – work at whatever pace suits you; please only do the week that you have been asked to.

You can practise each lesson as much as you like, but around 30 minutes on the lesson and then 5/10 minutes work on the links below is a good guide! 😊

If you have any questions, you can get in contact with Mr Cox or Miss Fegan via Showbie.
