

😊 Happy Home Learning 😊

Below are the recommended activities to be completed each day of w.c. 8th June. As always **none of the activities are mandatory**, however many are the sorts of things we are doing with the children in school. Highlighted in yellow are the names of any of the resources needed for each activity that are available on the school website for you to download. Feel free to do work on paper or in a book rather than printing everything out. Please continue to upload work to Tapestry & Seesaw as we love to see what you have been doing. Unfortunately, as we are now in school teaching, we may not be able to respond as quickly or as often as before.

This week Year 1 maths will be taken from <https://www.thenational.academy/online-classroom/year-1/maths#subjects> (length, doubling, halving lessons)

further information below.

MONDAY				
Phonics	Literacy	Maths	Mindfulness	Topic
<p>Reading focus</p> <p>Intro: Phoneme Power Point Fastest Finger first</p> <p>Main:</p> <p>Rec: Bingo</p> <p>Year 1: Bingo</p> <p>Plenary: https://www.phonicstracker.com/games/index</p>	<p>What is a pirate? What do we know about Pirates? Show pictures of pirates to the children, how do they look the same/different? What are they wearing? (See Parent PP Monday section)</p> <p>Activity: Write a set of questions you would like to ask a pirate if you met one. Remember to use your sound mat to help you.</p>	<p>Length</p> <p>Today chn will be recapping 'Length' Do they know what Length is? (Length is when we see how long or short something is.) Think of ways that we can measure length (standard measure – rulers/non-standard measures – hands, cubes, feet) Measure your foot by placing the objects alongside it and then count them. Measure your foot using a different object, did you get the same amount?</p> <p>Reception- (R Length PowerPoint – Monday). Year 1 - (1 Length PowerPoint – Monday)</p> <p>Main: Reception – R Monday Worksheet Year 1 – 1 Monday Worksheet</p>	<p>Learn these two songs about pirates</p> <p>http://learnenglishkids.britishcouncil.org.cn/node/1688</p> <p>https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-when-i-was-one-i-sucked-my-thumb/zhbyt39</p> <p>You could watch Muppets Treasure Island (this was on sky/now tv)</p>	<p>Pirate</p> <p>Disguise/Recruitment You child has been chosen to become a member of the Shabby Cat crew.</p> <p>You will need a head shot photo of your child for this activity (preferably A4). Look through the disguises of Mrs Mitchell's cats (PP for Parents) – can you make yourself look more fierce? Use the Pirate Role Play Props to help you become a member of the Shabby Cat crew. What would your pirate name be?</p>

TUESDAY

Phonics	Literacy	Maths	Mindfulness	Topic
<p>Reading Focus</p> <p>Intro: Phoneme Power Point Fastest Finger first</p> <p>Main:</p> <p>Easier: Real/Alien Phase 2/3</p> <p>Harder: Real Alien (Year 1 phonemes)</p> <p>Plenary: https://new.phonicsplay.co.uk/</p>	<p>Recap pirates – what have we remembered? Look at a picture of a pirate – what are they wearing? Do we know any of the items? (See Parent PP Tuesday section)</p> <p>Main: Label the items of clothing the pirate is wearing (see label activity)</p>	<p>Height</p> <p>Intro: Discuss with the children that in today’s maths lesson we are going to be looking at height. Ask the children ‘Does anybody know what the word height means?’</p> <p>Get a selection of your toys and teddies, can you order them by height?</p>  <p>Reception- (Height PowerPoint – Tuesday). Year 1 - (Height PowerPoint – Tuesday).</p> <p>Main: Reception – R Tuesday Worksheet Year 1 – 1 Tuesday Worksheet</p>	<p>Listen to the theme tune to pirates of the Caribbean</p> <p>https://www.youtube.com/watch?v=6zTc2hD2npA</p>	<p>Pirate Feather Map</p> <p>With our topic being on pirates we need to make sure we have a treasure map. But in true pirate fashion we are going to make the map using a feather rather than a pen. Find a feather in your garden or on your local walk. Before you make a real treasure map you need to practice the technique of using a feather. Using the Feather map Powerpoint practice the patterns in some mud.</p> <p>When you feel confident that you can use your feather properly, get a piece of paper and draw out your treasure map by dipping your feather in paint, mud, or any other form of liquid that can act as ink.</p>

WEDNESDAY

Phonics	Literacy	Maths	Mindfulness	Topic
<p>Writing Focus</p> <p>Intro:</p> <p>Phoneme Power Point Grapheme quick write</p> <p>Main:</p> <p>Easier:</p> <p>CVC/CVCC/CCVCC write (word write)</p> <p>Harder:</p> <p>Alternative spellings (words)</p> <p>Plenary:</p> <p>Phonics Tracker or Phonics play (links in Monday/Tuesday)</p>	<p>Look at PP on Blackbeard – what did he do? What did he look like? What was he like?</p> <p>Main:</p> <p>Create a WANTED poster for Blackbeard – remember to think about what he looks like, what he has done and how much money you will give as a reward. (WANTED POSTER)</p>	<p>Distance</p> <p>Intro: What is distance? Explain that distance is when we see how far something has gone.</p> <p>Draw a line on the floor and get a ball – throw the ball as far as you can. Measure the distance using your feet. Do you think you will be able to throw the ball a further distance or a shorter distance next time? Try again and measure with your feet again. Have a competition with a member of your house.</p> <p>Main:</p> <p>Create a slope using a piece of card/wood and balance it on a chair – get a selection of small cars – how far do you think they will go? Do all the cars travel the same length?</p>	<p>Watch the escape scene for Pirates of the Caribbean</p> <p>https://www.youtube.com/watch?v=AhRh1zcbB70</p>	<p>Make a paper plate pirate</p> <p>Now that we have learned lots about pirates, it's time to put into practice by creating your own!</p> <p>Have a look at the Pictures of Pirates powerpoint and discuss any features that they all have in common e.g. beard, hat etc. Next, have a look at the examples of paper plate pirates and have a go at making your own, using either paint, felt tips or a collage.</p>

THURSDAY

Phonics	Literacy	Maths	Mindfulness	Topic
<p>Intro: Phoneme Power Point Grapheme quick write</p> <p>Main: Easier: Write sentences using words from Wed</p> <p>Harder: Write sentences using words from Wed</p> <p>Plenary: Phonics Tracker or Phonics play (links in Monday/Tuesday)</p>	<p>Show children a picture of an island – explain that a boat carrying the class teddies has capsized and they are all stranded on the island. They have some paper and would like some help to write a letter – what might they say? (Parent PP Thursday section)</p> <p style="text-align: center;">Main</p> <p>Write a letter asking for help. Remember to have a look around the island. What can you see? Why have you not swam to safety? Why do you need help? (Message in a bottle sheet)</p>	<p>Doubling</p> <p>Ask the children what doubling means – adding the same number to itself. Have a go at mirror doubling – what happens to a group of objects when you place them in front of a mirror</p>  <p>Main- Reception – Doubling Intro. Talk through it modelling how to turn it into a double. For example, with the lady bird – you will draw another 2 dots on and show them that we ‘copy’ what is already</p>	<p>You could watch Hook (U) (it was on Netflix)</p>	<p>Treasure Maps</p> <p>Create your own pirate map. You will need a teabag and some cold tea. Rub the teabag over the paper and leave to dry in the sun. When dry tear off some of the edges to leave a jagged appearance. Using waxed crayons or felt tip pens to create your own pirate map.</p> <p>What features do you need on your treasure map? Look at the pictures on the Pirate Map document to help you</p>

there. Ask the children 'If the lady bird had 3 spots on one side how many would I draw on the other side?' ' If the lady bird had 10 spots on one side how many would I draw on the other side' etc. Children complete **doubling worksheet**
Year 1 - Open
<https://www.topmarks.co.uk/Flash.aspx?f=dartboarddoublesandhalves> · Then complete the **doubling worksheet/problem solving sheet.**

FRIDAY

Phonics	Literacy	Maths	Mindfulness	Topic
<p>Tricky words Intro: Tricky Word Power Point Tricky word quick write Main: Easier: Easy Learn Sheet (went) Write 2 sentences using your tricky word. Harder: Easy Learn Sheet (has) Write 2 sentences using your tricky word. Plenary:</p>	<p>Recap what we know about pirates so far – look at PP about Pirates. True/False stand-up/sit-down activity – read a fact out stand if correct and sit if incorrect.</p> <p>Main: Fact or Fiction sort Chn to read the facts and decide if they are true or False. Cut and stick in to correct sections (Fact or Fiction sheets)</p>	<p>Halving Intro-</p> <ul style="list-style-type: none"> · Explain that halving is when we share everything out equally between 2. Give your child a selection of sweets – how many have they got? Can they be shared equally? What do you recognise about the numbers that can be shared equally? (even) <p>Main-</p> <p>Reception - Open Friday's Powerpoint and talk through it with the children. · Explain what is happening with the parrots. They aren't just giving them lots each and someone is having more – they are having equal amounts because it is shared in half. · Ask the children ' would it be half if one parrot had 6 apples and the other parrot only had 3?' · Get the children to answer and explain why. · When the powerpoint is complete, get the</p>	<p>Complete the yoga on YouTube. Row row row your boat version (about 3mins long). https://www.youtube.com/watch?v=e9T0lu89LI8</p>	<p>Walk the Plank Warm them up: – with the bean warm up game. Jumping jellybean = jump on the spot Wiggly bean = wiggle your whole body Sprinting bean = sprint on the spot Running bean = run on the spot</p> <p>Main: Apply a length of masking tape to the floor in a long, straight line/draw a chalk line. -the Plank.</p> <p>Chn to walk along the straight line, then complete challenges: Walk along the line hopping Walk along the line whilst balancing the bean-bag on their head Walk along the line whilst rubbing your belly and tapping your head</p>

<p>Phonics Tracker or Phonics play (links in Monday/Tuesday) (Tricky Word Game)</p>		<p>children to work on the halving worksheet.</p> <p>Year 1 – Play - https://www.topmarks.co.uk/maths-games/hit-the-button Chn to complete halving worksheet</p>
