

W/C 22.6.20 Year 5 Week 9 Topic Tasks

Science

LO: To demonstrate knowledge of forces

Task 1

Complete a spider diagram to show what you know already about forces. Can you name any? What do they do? At the end of the topic you can go back and add to this in different colours to show what you have learnt.

LO: To investigate upthrust

Use the three websites to find out all about upthrust and why things float.

Task 2

You need to use your scientific knowledge to answer this question.

“The Seawise tanker (pictured above) weighs 657,019 tonnes. Why doesn't it sink?”

(1 tonne is the weight of a small/medium family car)

French – Complete two of the lessons from the French Document (link in this week's home learning and in the French tab)

Mindfulness Ideas

This week we would like you to think about all the different mindfulness activities that you have completed. Think which ones worked well for you and build them into your daily routine. We have added an organiser below, but you don't have to use it if you don't want to. Just pop a note in your green book to say what you did and how it helped.
