

Mystery Mouse Investigates Length

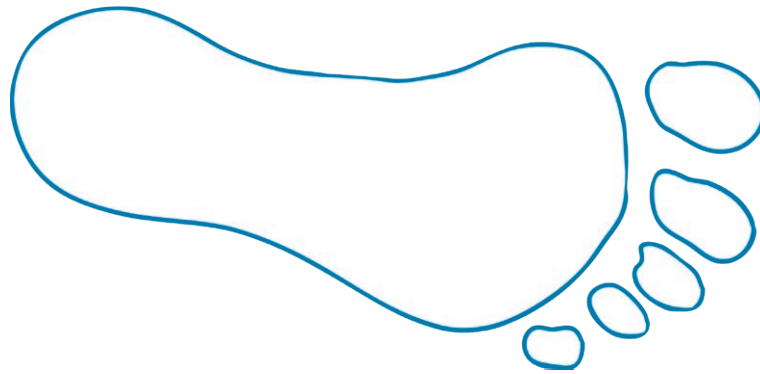

Mystery Mouse is checking that the superheroes have measured their footprints correctly.

Can you help me check? Use interlocking cubes to measure the footprint. Then, circle yes if the superhero is correct or no if they have measured it incorrectly.

My footprint is
5 cubes long.
Am I right?

yes

no

My footprint is
3 cubes long.
Am I right?

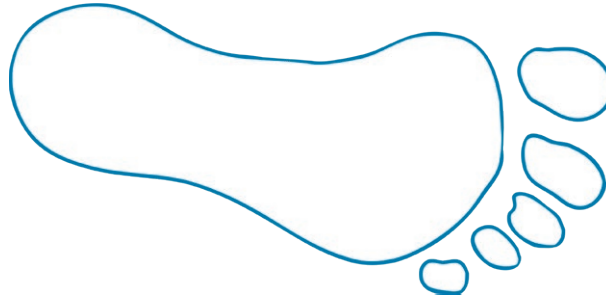

yes

no

My footprint is
6 cubes long.
Am I right?

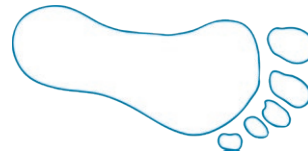

yes

no

My footprint is
2 cubes long.
Am I right?

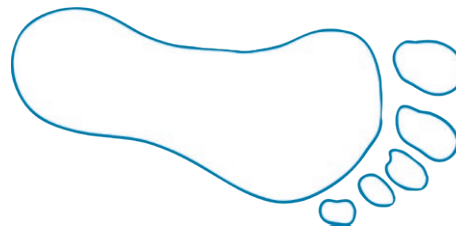

yes

no

My footprint is
4 cubes long.
Am I right?

yes

no
