

Year 5 Literacy Week 12 (Week Beginning 13/7/20)

Writing

For our last week's writing task, we would like you to write a letter to your new teacher(s) to introduce yourselves to them 😊

We know they are looking forward to having you next year and would love to hear from you!

5C you will write to Mrs Elwell/Mrs Stevenson

5F you will write to Miss Salmon

Things to write about:

- General information about you e.g. family, pets, special interests
- What you enjoy learning about and your favourite things at school
- Things you are good at
- What you like doing in your spare time
- Books you like to read
- What you are looking forward to in Year 6

Plan it out first before you begin writing. Make sure you show them what fantastic writers you are. Miss Fegan and Mr Cox will send your letters to your new teachers once you have uploaded them to Showbie.

Reading – Choose a challenge and begin!

Don't forget that even though the libraries are currently closed the Summer Reading Challenge they run is still going ahead. You can find more information on the following website.
