

Dear Colleague,

**Nanomaterials** (ISSN 2079-4991) is an international, open access journal published monthly online by MDPI. It has the characteristics of high visibility and rapid publication. It is ranked as **Q1** in the categories of Chemical Engineering, as well as Materials Science, according to Scimago Journal & Country Rank.

On behalf of the Guest Editors of the following three Special Issues, I would like to invite you to contribute a paper on any aspect of your research related to the specific themes based on your expertise in the field of graphene based nanomaterials.

For more information, please visit please visit the websites of the respective Special Issues

A) SI Name: [Graphene and Related 2D Materials Based Devices and Heterostructures](#)  
Submission deadline: 15<sup>th</sup> July 2021

B) SI Name: [Physics and Chemistry of Graphene: From Fundamentals to Applications](#)  
Submission deadline: 15<sup>th</sup> July 2021

C) SI Name: [Investigation and Development of Graphene Oxide-Based Materials](#)  
Submission deadline: 30th June 2021

Papers may be submitted immediately or at any point until the deadlines, as papers will be published on an ongoing basis – however, please feel free to let us know if you need more time.

If you are interested in any of these projects, please do not hesitate to reach out to me personally at [sztamás@chem.u-szeged.hu](mailto:sztamás@chem.u-szeged.hu) as well as the Editorial office at [tina.tian@mdpi.com](mailto:tina.tian@mdpi.com). We look forward to hearing from you soon.

Best Regards,  
Topic Editor  
Prof. Tamás Szabó
