Friday 4th September 2020

Dear Parent/Carer,

Ref: - School reopening update

I am writing to update you on the reopening of the school over the first couple of weeks. It has been wonderful to welcome the students back into school. The Moat staff have worked very hard to get ready and ensure that the school is safe. I am sure that you will join me in thanking them for their efforts.

Our students have adapted well to all of the changes that we have made to ensure staff and students safety. As with other areas of society, there have been many changes to our school. The students have been very happy to get back to their lessons. We are currently assessing the impact of the closure on their learning and will then plan interventions to ensure that we catch up on the lost time.

There are a couple of reminders that I would like to give you:

- Please ensure that your son/daughter has a face covering with them when they leave for school in the morning. All students and staff must wear these at all time on the school corridors. This is a vital part of our safety procedures. If your son or daughter arrives without a mask they will not be allowed into lessons and you will be contacted to bring a mask into school.
- Please ensure that your son/daughter arrives at the correct time for school, they should not arrive early.

Students should arrive at these times:

8.30am -Year 7 & 8

8.40am -Year 9 & 10

8.50am -Year 11

- At the end of the day please ensure that if you are picking up your children you do so at some distance from the school and keep socially distant from other parents. Students should go straight home and not stand outside the school.
- If anyone in your household develops symptoms of the virus, do not send your sons/daughters into school. They should stay at home until the person with symptoms has been tested.
- If anyone in your household tests positive for the virus, they should self-isolate for 10 days. All other members of the household should self-isolate for 14 days.

Thank you for your on-going support for the school. We are very pleased to be fully open again. We will keep our students safe and make up for lost time in their learning.

Yours faithfully,

Mr Killeen
Principal
