

DON'T MISS OUT !!!

YOU COULD GET UP TO £450 A YEAR

Applying for free school meals could not be easier and if successful, your child would qualify for a free meal at school every day. That's a saving of approximately £450 a year PER CHILD!!

Moat Community College also receives extra funding for each eligible child that claims Free School Meals, which is used to support your child with their learning.

The free school meal voucher scheme has also been extended by the Government to include the summer holidays, which means for each school holiday you would receive a supermarket voucher of your choice!

So if you currently don't claim free school meals and you receive one or more of the following benefits below, we urge you to come and visit us at coffee morning where we will help you apply, you just need to bring your National Insurance number and we will do the rest!

- Income support
- Income-based jobseeker's allowance
- Income-related employment and support allowance
- National asylum seeker support
- Child tax credit (provided you're not also entitled to working tax credit and have an annual gross income of no more than £16,190)
- The guaranteed element of state pension credit
- Working tax credit run-on - paid for four weeks after you stop qualifying for working tax credit.
- Universal credit with annual net earned income of less than £7,400
