Dear Parent/Carer

At The Winterton Federation, for many of our children, we use a programme for teaching and practising times tables called 'Times Table Rockstars'.

We have found that by using this app, pupils have greatly improved their understanding and recall of key times table facts. In order to create a private account for your child so that they can use this programme, in school, or at home, please sign and return the permission slip below and return to school as soon as possible, so that we can organise the setting up of this account for your child.

Then they will be able to practise their times tables in a fun and challenging way.

Thank you for your continued support.

Adam Downs
Assistant Headteacher
Mathematics Coordinator

Child Name:..... Class:.....

I give consent for my child to have a Times Tables Rockstars account

I do not give consent for my child to have a Times Tables Rockstars account

Please tick accordingly
