

Dear Parents / Carers,

Bug Club is here! Have you signed up yet? If you haven't then, please use the 'Forms' section of the Winterton Junior School APP to enable your child/ren to have access.

Bug Club was introduced as an alternative to pupils taking their guided reading books home as part of their nightly homework during lockdown, we have noticed that since Bug Club was launched, only a handful of pupils have been online and completed the reading and activities set for their Guided Reading group. All guided reading leaders have set books for the children to read so we ask for your support in ensuring that your child accesses Bug Club after school and at the weekend while at home.

Username and Passwords have been sent to all those who have returned permission slips to use this website. This information can be found through your child's Purple Mash 2email account. All pupils are aware on how to work Bug Club, however, if you require further support then go to see the Federation YouTube channel and watch the video which shows a 'walkthrough' guide on using Bug Club or alternatively, you can contact the school.

If you have any further queries, please do not hesitate to contact us.

Regards

Admin Team
