Year 5 parents,

With national restrictions easing, we have been able to book a place at Robinwood Activity Centre, for the annual Year 6 residential trip from Wednesday 15th September 2021 to Friday 17th September 2021. It is an important event in the calendar, and a trip that the children undoubtedly take a lot from. We expect all children to attend the residential trip, as academic work in school follows on from the experience. We understand that you may have questions regarding the activities, the cost and the risk assessments in place. Please be assured, that strict safety procedures have been implemented to ensure everyone's safety while attending this residential trip. We appreciate that it is much later notice than usual, in regards to the financial cost of the experience, so we have subsidised the cost of the travel for all our pupils, and you are able to spread the payment out over the following academic year, up until your child moves on to their chosen secondary school. Again, we feel it is important that all children access this opportunity, so if you feel there are barriers to your child participating, financial or otherwise, please do not hesitate to contact the Junior School office to speak to a member of the leadership team about this: we want all children to be involved.

We will be holding a virtual meeting on Thursday 27th May 2021 at 4pm in order to go through key information, costs, timings and of course answer any questions that you may have. Please use the following link to access the meeting:

This link will be accessible on the school app, or on the website for you to simply click on to join the meeting.

If you are unable to join at this particular time, then one of our members of staff who have previously been involved in the experience, will be more than happy to have a conversation with you, just let us know by contacting the Junior School office.

Thank you again for all your continued support, we look forward to seeing you at the virtual meeting.
