

Insight App

The App can be found on the iTunes store under the name “**Insight by TASC**” or on the Google Play Store with the name “**Insight**”, both published by “**TASC Software Solutions Ltd**”.

Before you login to the app you will need to go into the settings menu:

You will either be able to type the web address in yourself or scan the QR code that can be found below, as well as on the login page of the Insight web page. The web address to use if you wish to enter it manually is: <http://insight.trafalgarschool.org.uk:1590/INSIGHT>

When logged in you will be able to see your child on the screen at the top and all of the options that you would normally see on the web version of insight
