

Update Uniform Information September 2021

24th June 2021

Dear parent/carer,

The following information was sent out in the letter on Monday 21st June-

As you know it is policy that all pupils attend school in uniform. This enables them to be appropriately dressed for work and, in addition, creates a smart image, promoting the identity of the school. Sometimes this has been difficult to totally adhere to because of COVID restrictions, lockdowns etc in the past year but it is important that we tighten this up from September.

One change during COVID which has had a positive impact on the running of the school, is the children wearing their PE kits for school on their PE day. Therefore, we are going to continue this in September however all children will be expected to wear the **school** PE tracksuit. This will reinforce our identity in PE, including sporting events, whilst raising the profile of PE and sport across the school.

Since the letter that was sent out there has been a further update regarding uniform. The Governors with support from the Trust have agreed to the following regarding uniform policy-

- All pupils wear the school tracksuit with the logo
- All pupils wear the school jumper/cardigan with the logo (this also reinforces our identity as there is another school locally that has the same colour uniform)

To support our families in implementing this from September there has also been an agreement that school will **provide all pupils with a tracksuit and 1 school jumper/cardigan.**

Ordering

- Tracksuits are being ordered through school, please complete the slips that were sent out on Monday asap and return to school (ring the office if you require a further slip). All monies that have already been paid will be fully refunded.
- Jumpers/cardigans need to also be ordered through school, this includes the grey jumpers/cardigans for Year 6, which will also have the logo. Please complete the slip below and return it by the required date.

Additional jumpers/cardigans can be ordered via the Elizabeth's Embroidery shop or online-all details are on the website including how to work out measurements and sizes.

All other items of school uniform are also available from Elizabeth's Embroidery but can be bought elsewhere so long as school policy is adhered to (ref below).

Other Items of Uniform

St Joseph's School Uniform consists of:

- Year 6 school ties-these can be purchased from school
- **white** shirt (all Year 6 white shirts) or polo shirt (with a collar)
- grey/black school trousers or skirt
- black/grey or white school socks/tights (no patterned or coloured socks)
- black shoes (no trainers)/boots can be worn to come to school in the winter, but the pupils must bring a change of shoes/plimsolls for in school
- during summer months shorts and summer dresses can be worn

Other Items for PE

- plain **white** T-shirt
- black school PE shorts
- black trainers/plimsolls

PE Bags

As the pupils will be coming to school in their PE Kits they will not require PE bags. Even though our logo has slightly changed since joining the trust, old book bags are fine as no doubt there are many which are still in good use. If you require a new one, they can also be purchased through Elizabeth's Embroidery.

If you require any further information, please do not hesitate in contacting school.

Yours sincerely

Headteacher

Please fill in the details below and circle the size required and top preference and return to school by Wednesday **30th June** to ensure uniform will be here by September.
