

HIGHER REFLECTIVE WRITING

1. Excited about doing something a bit naughty, particularly when events around you are boring, but coming unstuck
2. Something happens that you aren't expecting
3. Doing something that turns embarrassing
4. The underdog wins out — character flaws overcome — e.g. shyness, weakness, lack of ability
5. Something that couldn't be done / ends up going right for a change
6. A big chance / moment in competition
7. From the perspective of an old person and their memories

RECOMMENDED STRUCTURE

- Dramatic scene hint question / hook
- Background —who you are/setting/etc
- Development/Build up
- Dramatic Peak — slow it down!
- Resolution —What's been learned/changed.
