Your Card Interpretation

The cards that came up in your own 5-card spread in answer to this yes/no question were as follows:

Your Reading

Q: Will I meet a new man soon?

Cross—Tree—MAN—Storks—Clouds

Burden, Troubles—Health, Karma—MAN/MEN—New beginnings—Uncertainty

Centre Card

The centre card, at the heart of your reading, is the **MAN**.

This card may represent a particular man or it may represent men in general. You did not mention whether or not you specified the **Man** as a keycard when you performed your reading, but here, I will assume that you didn't, and that the card fell at the centre of your spread naturally.

This just tells you that your reading is 'about' men or a particular man at the core and that this is at the root of your question and situation.

Central Cards:

Tree-Man: This suggests a man's or men's health, vitality and energy, and also possibly to karma, as the Tree often relates to spiritual and 'lifeforce' issues also. In this context and for this question, it may simply refer to 'male energy' in general in your life.

Man-Storks: As the Storks represent new beginnings and fresh starts in general, this could represent a specific 'new man' as per your question (although I would probably expect to see the **Rider** in the spread if this was the case) or a new start with men in general in your life.

Mirrored Cards:

This looks at the mirrored cards surrounding the issues at the centre.

Cross-Clouds: The combination of the burden or pressure represented by the **Cross** alongside the uncertainty shown by the **Clouds** indicates serious issues around there being uncertainty or that the uncertainty causes pressure, even depression. It may just indicate a sort of downness about not-knowing.

Tree-Storks: A new start in health or vitality; new karma, a renewed energy and vigour. Bouncing back, a new lease of life.

Taken all together as an overview, your reading suggests a renewed vigour and energy with regard to men in your life, and meeting new men, possibly mixed with feeling down due to uncertainty as to whether you are actually going to meet somebody new or not.

Reading the Chain of Your 5 Cards in More Detail

Cross—Tree—MAN—Storks—Clouds

Cross-Tree:

A health or energy burden, negative energy or health and vitality depleted, a karmic or spiritual crisis.

Tree-Man As above, a man's or men's health, vitality and energy, and also possibly to karma, spiritual or 'lifeforce' issues also. In this context and for this question, it may simply refer to 'male energy' in general in your life.

Man-Storks: As above, new beginnings and fresh starts in general, either with a specific 'new man' as per your question or a new start with men in general in your life.

Storks-Clouds: An uncertain new beginning, a lack of clarity as to whether there will be a new start or not

This suggests a lot of past negativity about this issue, perhaps pressure, or feeling drained by it, and with regard to the male energy in your life. It may be that you have felt a degree of 'bad' or negative karma around it or around men in general. The cards indicate a potential new start with regard to this issue, although they show this is by no means a certainty and nothing is fixed or set in stone, so they don't suggest that this is something you'll be able to know for sure.

Further details about each card

Here, we combine each card with all of the following cards to get a more detailed picture

Cross: About the associated burden or pressure

Cross-Tree: A health or energy burden, negative energy

Cross-Man: Man troubles, male burden

Cross-Storks: A new start after troubles, or pressure over a new start

Cross-Clouds: The pressures of uncertainty

This shows a lot of negative energy around this issue; pressure around men in general or previous man troubles, pressure to start again, and pressure or feeling down that a new start may be uncertain.

Tree: About the health, vitality or energy involved

Tree-Man

Tree-Storks

Tree-Clouds

This indicates that a lot of this may be to do with your karma, drive and vitality around men or male energy, a new energy or karma, but an uncertainty or fuzziness around it or what karma may bring.

Man: About men or male energy in your life

Man-Storks A new man, men or new start with men in general

Man-Clouds Uncertainty about men or as to whether there will be one

So again, this is just talking about a new start with men and uncertainty around it

Storks: About the new beginning

Storks-Clouds *Uncertainty over a new start or what the future will bring*

Overall Reading Summary

Q: Will I meet a new man soon?

Rather than giving a simple yes/no answer to your question, the layout seems to be centring more on the root issues around the question itself. It doesn't give the definitive 'yes' answer that I think you were hoping for. Instead, it just tells you that there is no certainty about this issue.

*What your reading does suggest is that you are putting a lot of, perhaps too much, pressure on yourself around meeting a new man and on knowing for sure. I would start by asking myself why the need for a new man feels like such a big issue and why you are placing so much importance on it. The cards are showing that there has been quite a lot of negativity associated with men or a man in your past: might it perhaps be the case that you are afraid that there is bad karma or bad energy of some kind in your relationships with men? The presence of the **Storks** of course indicates that there is always the possibility of making a fresh start in this area, but the **Clouds** show that whether it happens or not is not something set in stone for you by Fate. This indicates that this is something that is in your own hands to resolve or make a fresh start on. I would begin by making sure you understand why whatever has happened in the past has happened, so you are able to create the kind of new beginning you are seeking.*
