

Learning from Home
Year 1
Week beginning Monday 18th May 2020

Hello Year 1!

I hope you and your family are keeping well.

Thank you to everyone that completed their activities last week. There was some AMAZING learning!

We're using Showbie and the Oak Academy's online classroom for our learning. Please remember to log on to Showbie every Monday for your activity sheets.

Below are your lessons for the week. Each lesson has a video for you to watch and a set of slides for you to use. You will need to pause and close the video at certain points in the lesson so that you can look on the slides and complete your work.
