Hello Lovely Reception Children and Families,

The academic year of 2019/20 is over!

We have reached well deserved Summer Holidays. I am really proud of all your work this year. **You are Reception Super Stars!** You have been learning so many new things during this special academic year even though it has not been easy in current circumstances. My huge thank you to all the parents for your great effort in supporting your children's learning journey.

I wish you the best of times during this Summer- enjoy being outdoors, visiting green spaces, **staying active and fit!**

I would like to offer you some useful links to encourage being curious and busy over Summer as learning never ends!

If you feel like revisiting some lessons that we did with **Oak National Academy** or you missed some of them, please go to:
