

LED Puck Light

Motion Activated

The light instantly turns on when it detects motion from up to 10 feet away.

Easy to Install

No wires = quick and easy installation in less than 5 minutes; no electrician required.

Long Battery Life

The light is designed to get one year of life on each set of batteries with average use of 8 activations a day.

Bright LEDs

The bright, powerful LED provides 30 lumens of white light. Designed with custom optics for the perfect intensity and focus.

Multipurpose

Perfect for closets, pantries, shelves, drawers, and under cabinets.

Durable, Weather Resistant

Tight seals and UV resistant material allow the light to work in all weather conditions.
