

# RAM CHALLENGE STRUCTURE

## RAM Challenge Structure

- 1- The RAM challenge is based on a one night match event where 2 players step up to challenge each-other for the GOLDEN RAM TROPHY.
- 2- The winner of the challenge gets to keep the GOLDEN RAM TROPHY for 1 month before playing another match and get their name engraved on the trophy as the current RAM champion until the next challenge.
- 3- The players who can enter the challenge are:
  - Any current or ex world champion
  - Any current or ex PSA world number one
- 4- Any player who comes forward to challenge a current RAM champion has to make his challenge first privately to RAM LLC via the official RAM [ram@ramscoring.com](mailto:ram@ramscoring.com) and RAM LLC will present it to the current RAM champion.
