

## Metal Morphosis Jewellery

We offer one of the largest selections of body and ear jewellery.

**Classic Jewellery** in Stainless steel, Titanium, Niobium and Acrylic.

**Just Ears** - we have a large range of ear studs to choose from, to be pierced with or for a change. Come in and have a look at our range.

**Navels** - we have a huge range of navel jewellery, updated regularly.

**Precious Jewellery** made from 9 - 18 ct yellow and white gold set with diamonds and other precious stones.

**Luxury Jewellery** made from Platinum and Palladium set with diamonds and other precious stones.

**Bespoke Jewellery** we can also make you your own custom piece of jewellery in a range of metals and stones.

**Why not have a one off piece jewellery made for that special occasion or gift. Come in to discuss your requirements.**

**We offer FREE piercing and aftercare on all suitable precious and luxury jewellery.**

**Ask in store for details.**

**Some initial piercings may be fitted with rings, please consult your piercer.**
