

HOOK C.E. PRIMARY SCHOOL

Emergency Snow Plan

- Staff living close enough will endeavour to walk to school and open up.
- Staff living further away where travel is impossible will report to the nearest school for duty.
- Children will **not** be in normal classes. They will be grouped according to the number of staff available to supervise them safely.
- Children would not be "taught" in the usual way on these days, but would be offered useful and engaging activities.
- Children would need a change of clothes and boots so that they can "play out" in the snow during the day.
- No school lunches would be available therefore a pack-up would be needed.
- Those parents who **can** keep children at home **please** do so in the interest of safety.
- Contact would need to be made with school if your child **is** staying at home.
- Any parents willing to bring their child in to school and assist with supervision would be greatly appreciated.
- In order to get the school functioning as quickly and as normal as possible, help to clear paths and the playground would be essential. Any volunteers greatly appreciated.
- The health and safety of pupils and staff is of prime importance therefore daily assessments of the situation will be carried out and the latest news will be relayed to you by:
 1. **TEXT** message to your 'Priority Number 1' Number
 2. **OR** the school website www.hookprimary@eriding.net
