

REACH 211 Compliance Declaration

CC Electronics confirm that all products* of our company have been evaluated against supplier MSDS's regarding the EU regulation for Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and do not contain substances of Very High Concern as detailed on the ECHA candidate list (last updated 08/07/2021).

We declare that all substances used during the manufacture of our products will be pre-registered or registered according to the above-mentioned regulation requirements.

This statement includes the restrictions listed in the 04/07/2020 (EU) 2020/786 POP Regulations update and the Californian Proposition 65 list dated 19/03/2021.

* pcbs with a lead containing hot air level finish are excepted from this statement

Signed

Quality Manager
