- 1st Governors Meeting
- 2nd X-Games, Far Peak, all day
- 3rd End of Term 4, 2:00pm
- 20th Start of Term 5

Thank you to all the children for supporting World Book Day yesterday. We saw some fantastic face painting skills, Mrs Finley included! Everyone got into the spirit of celebrating the wide variety of animal characters to be found in the pages of their favourite books, and in the playground they truly brought those characters to life through play and the use of their imagination. Some of the fabulous photographs from the day can be seen on the reverse of the newsletter.

On Wednesday afternoon we celebrated World Maths Day, with a special assembly looking at wierd and wonderful maths and promoting a growth mind set. After that we took part in various maths games such as, mancala, top trumps, safari and using Clixo to make 3d shapes. Some children even made dodecahedrons! A highlight was seeing children

use some of the maths games created during our previous Erasmus project and noticing how much fun and value they had. As we told the children - there are only three kinds of people in the world. Those who get maths and those who don't.

Remember that we're getting ready to raise funds for Sport Relief next week. On Friday 13th March there will be a non-uniform day. Pupils are invited to come to school wearing a PE kit of their choice in return for a donation. The day encourages everyone to get active and raise money to help combat poverty in the U.K. and abroad.

Last week Fox Class, accompanied by volunteer helpers Mrs Rossi and Mrs Pether, went on a trip to Bristol to visit 'We The Curious', a science and art centre. Pupils took part in a practical workshop investigating forces and magnets, and thoroughly enjoyed their visit to the planetarium where they explored the possibilities of alien life in the solar system.

Only two weeks to go to the annual fund raising event 'The Big Breakfast'. Each year, pupils prepare and serve breakfast for parents and friends, all donations collected from the day go to Cancer Research UK. Year 5 and 6 pupils have been practising their letter writing skills with Mrs Ellis, respectfully asking local supermarkets for their support with food donations. Everyone is welcome so we hope you will be able to join us from 9:00am to 10:00am on Thursday, 19th March.
