

Thesis Talks

Currently writing/about to write/thinking about writing your thesis? We would love to give you the opportunity to share your current ideas at the ACMC and have the opportunity to receive feedback, thoughts and appraisals or even offers for support and collaboration. This could be a great way to meet and discuss with people writing about similar topics, finding out what on earth a 'theoretical framework' consists of or just generally getting your ideas out there!

Please fill in [this form](#) to register your interest!

We realise you might not know exactly where you will be up to in three months time, it's okay to change your mind later but be sure to sign up now to secure a possible slot!
