

# WINOLA

## Bakery Ingredients

Winola Means Authentic Bakery Products From Its Beginning.

CREATIONS FOR CELEBRATIONS

## The Brand Winola

*Winola is committed to help you by providing bakery solutions . That's why we work to have all the products needed for a perfect baking from ingredients to finished products. Winola has everything for baking the sweet creations that customers want. The quality you experienced with the first winola product you ever used, is the same quality you can count on from all of our products today and into the future. It's all part of our commitment to provide the ingredients for life's sweet moments recognized by the Winola brand.*

## Our Vision

*"To be the heart of chocolate and Bakery Industry"*

## Our Commitment

*Our commitment is to provide you with the better ingredients not only in taste , quality and service, but also in sustaining our consistency for the next generations to come. So you can create the quality and sweet bakery products that our customers expect from us, matching the increasingly more important demands with consistent quality and taste.*
