

St Teresa's 'intent' as
described by our children...

"we work together to be the
best that we can be."

- Our teachers want us to be the best that we can be!!!
- We learn how to stay safe and be healthy.
- We learn how grow up into sensible adults.
- We celebrate all of the good things that we do.
- We are proud to be part of St Teresa's family.

- ST Our teachers help us and we know what we need to do to make our learning better.
- ST We talk a lot in lessons and learn new words.
- ST We listen to each other too!
- ST We work in groups and on our own.
- ST We enjoy our lessons and take pride in our work.

- Ⓢ There are lots of people in school who help us to feel happy and safe and will listen to us and help us if we have a problem.
- Ⓢ We spend time with our community and show them how our Faith helps us to be a loving family.
- Ⓢ Our school virtues are in everything we do.
- Ⓢ We are all different pieces of a jigsaw and when we are together we make a beautiful picture.
- Ⓢ We know that we are unique and love each other as we want to be loved.
