

Tri Surrey Dates and Events 2020

Socials

Key points in our social calendar are our Summer Social and our AGM / end of year Social (November). Dates for these and for other socials will be confirmed – look out on email and social media for Tri Curry, the Tri Surrey Quiz, and ParkRun breakfasts. If you have ideas on socials for the future please contact sally@trisurrey.com

Racing

Please see our separate target races list for all races we are targeting for mass participation. Other races not on our official target list but which will still likely have several members racing are:

Date	Event	Event description
4 th April	Eton Duathlon	Super sprint, sprint and Olympic distance duathlon (run bike run) at Dorney Lake, closed road.
TBC	Thorpe tri	Standard (Olympic) distance race, in and around Thorpe Park.
25 th July	Castle to Coast	An unusual sportive style 'race', from Eton to Brighton.
7 th Nov	Winter Ballbuster Duathlon	Run up box hill. Then cycle up it 3 times. Then run up it again. In probably horrendous weather.

You may have noticed that there is not a target or back up long distance ('iron') race for 2020, but there will be in 2021, make 2020 count!

Other excitement

Look out for details of our August cycling trip, previous trips have included London to Paris, Redhill to Bruges to Brussels, and a day ride round the Isle of Wight. The 2020 trip will probably be the week of the August bank holiday
