Majestically sitting in the heart of the city and yet away from its hustle-bustle, is the serene and green 45 acre campus of Bhavan's College,. Envisioned and established by Kulapati Dr. K. M. Munshi, before India's independence in 1946, Bhavan's College has a legacy of its own..... serving the society's educational needs with a deep commitment Bhavan's Culture, Traditions and Values

And it is indeed a proud moment for all Bhavanites when UGC recognized its excellence and granted us the Autonomous Status in July 2020 for a period of a period of 10 years, thereby enhancing opportunities for Bhavanites to learn the ancient and the new, to explore international endeavors and yet remain strongly rooted in Indian Culture. In fact, in the words of the members of the UGC peer team who visited us, Bhavan's campus has the capacity of being a university in its own rite.

Bhavan's College Autonomous is determined to be one of the premiere colleges of the Mumbai University keenly sought by the students for the innovative add on courses that it plans to implement as a result of the Academic Autonomy it has received. Collaboration with its sister institutes as well as other national institutes will be one of the key aspect for curriculum design and its delivery keeping the entire focus on the betterment of the student. Courses like "*Glimpses to the therapies in Psychology*", "*Finding an entrepreneur in YOU*", "*Destination management*", "*Organic & Terrace gardening*", "*Understanding the language of peace in the world full of conflict*", "*Heritage walk -- Mumbai city*", "*Sports Management*", "*Learning tally / e filing tax returns and GST*", "*Mind your money – Mutual funds and shares*" are a few that are planned

Since the grant of the Autonomous status, the college plans to formulate new criteria for assessment and evaluation. These criteria will assess the student not only on his/her performance at the end of the semester, but also on their performance throughout the semester. This will ensure continuous evaluation and also cater to the various intelligences of a student. Various projects will also be undertaken that will provide an empirical exposure to the students.

The need for autonomy in higher education rises on the foundations of academic growth, excellence and innovation. Bhavan's College, Autonomous strives to be an institute of repute that sets standards to follow and be an exemplary establishment.
